## ANNUAL BULLYING NOTICE

September 1, 2016

Dear Parents and Colleagues,

Bullying behavior by any student in the Middletown Public Schools is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school. "Bullying" means the repeated use by one or more students of a written, oral or electronic communication, such as cyberbullying, directed at or referring to another student attending school in the same school district or a physical act or gesture by one or more students repeatedly directed at another student attending school in the same school district that:

- A. Causes physical or emotional harm to such student or damage to such student's property,
- B. Places such student in reasonable fear of harm to himself or herself, or of damage to his or her property,
- C. Creates a hostile environment at school for such student,
- D. Infringes on the rights of such student at school, or
- E. Substantially disrupts the education process or the orderly operation of a school.

Bullying shall include, but not be limited to, a written, verbal or electronic communication or physical act or gesture based on any actual or perceived differentiating characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity or expression, socioeconomic status, academic status, physical appearance, or physical, mental, developmental or sensory disability, or by association with an individual or group who has or is perceived to have one or more of such characteristics.

Students who engage in any act of bullying, on school grounds, at a school-sponsored or school-related activity, function or program whether on or off school grounds, at a school bus stop, on a school bus or other vehicle owned, leased or used by the Board of Education, or through the use of an electronic device or an electronic mobile device owned, leased or used by the Board of Education, and outside of the school setting if such bullying:

- A. Creates a hostile environment at school for the victim,
- B. Infringes on the rights of the victim at school, or
- C. Substantially disrupts the education process or the orderly operation of a school.

Students and/or parents may file verbal or written complaints concerning suspected bullying behavior, and students shall be permitted to anonymously report acts of bullying to school employees. Any report of suspected bullying behavior will be promptly reviewed. If acts of bullying are verified, prompt disciplinary action may be taken against the perpetrator, consistent with his/her rights of due process. Board policy and regulation #5131.911 set forth this prohibition and the related procedures in detail, and are available to students and their parents/guardians upon request and on the district website at <http://www.mps1.org/boe/policy/5000/5131-911.pdf>.

Sincerely,

A handwritten signature in blue ink, appearing to read "Patricia Charles", with a long, sweeping flourish extending to the right.
